For detailed performance measure results see pages 8-15 of above document.

[Three Year Education Plan Summary Sheet](#)

Our Priorities

- To ensure that all students complete their programs with a sense of dignity, purpose and hope
- To ensure high quality learning experiences through exemplary teaching and outstanding leadership
- To support staff learning through a progressive and comprehensive professional development program
- To create inclusive & healthy learning environments
- To support students at risk through the development of wrap-around services
- To create new, and culturally appropriate learning experiences for First Nations, Metis and Inuit students

We're Listening

- To STUDENTS through Youth Forums, presentations to the Board of Trustees, involvement in Tell Them From Me, and participation in Speak Out!
- To PARENTS through Town Hall Meetings, Umbrella School Council Meetings, School Council support & engagement, online surveys, and planned opportunities for online feedback in early 2013
- To STAFF through, collaborative professional development initiatives, online surveys, school visits, growth plan meetings, focus groups, survey results
- To COMMUNITY through Town Hall Meetings, Trustee and administration participation in community initiatives and events, partnerships with community organizations, media releases and community service initiatives

Our Vision

Wild Rose Public Schools is actively working to transform the system to better meet the needs of today's and tomorrow's students. This means rethinking teaching, assessing, reporting, and, indeed, learning.

To support this work, the division boasts one of the most extensive and innovative professional development models, and one of the most advanced technology backbones in the province. It is our intent to provide ALL students with a learning experience that will equip them to take their places in the civil, democratic communities of tomorrow.
