Our Priorities

- To ensure all students complete their programs with a sense of dignity, purpose and hope
- To ensure high quality learning experiences through exemplary teaching and outstanding leadership
- To support staff learning through a progressive and comprehensive professional development program
- To create inclusive and healthy learning environments
- To support students at risk through the development of wrap-around services
- To create new, and culturally appropriate learning experiences for First Nations, Metis and Inuit students

For School Generated Funds information see page ten of AFS. More information is available at your local school or by contacting Mohammed Azim at (403) 845-3376 or 1-800-771-0537

We're Listening

- To our **students** through Youth Forums, presentations to the Board of Trustees, involvement in Tell Them From Me, and participation in Speak Out!
- To our **parents** through Town Hall Meetings, Umbrella School Council Meetings, School Council support & engagement, online surveys and social media
- To our **staff** through, collaborative professional development initiatives, online surveys, school visits, growth plan meetings, focus groups and survey results
- To our **communities** through Town Hall Meetings, Trustee and administration participation in community initiatives and events, partnerships with community organizations, media releases and community service initiatives

Our Vision

Wild Rose School Division is actively working to transform the system to better meet the needs of today's and tomorrow's students. This means rethinking teaching, assessing, reporting, and, indeed, learning.

To support this work, the Division boasts one of the most extensive and innovative professional development models, and one of the most advanced technology backbones in the province. It is our intent to provide **all** students with a learning experience that will equip them to take their places in the civil, democratic communities of tomorrow.
