

The Student Select Nominee is a representative of all our outstanding employees in Wild Rose School Division.

As such, the Nominee represents the caring, compassionate individuals who work in our jurisdiction.

The Student Select Award honours those individuals who create powerful learning environments that make a difference in students' lives.

The Student Select Award encourage Wild Rose School Division students to express their appreciation for insight, dedication, skill and compassion. This award celebrates student recognition of the impact these individuals have made on their development.

The nomination is only one of many indicators of an employee's effectiveness and influence.

Wild Rose Student Select Awards do not indicate that a Nominee's contribution is any more than that of his or her colleagues.

The award shows that students notice and appreciate how certain people make a difference in their lives.
