**Attention: Board of Trustees of Wild Rose School Division**

It is with much sadness that I forward this resignation letter to the Board of Wild Rose School Division effective January 20, 2015. Due to changes in my personal, health and family life I feel I am no longer able to fulfill my role as the Board Chairperson and Trustee.

Over my time on the Board I believe I have served with vision, dedication, enthusiasm, and integrity. I have helped facilitate improved relationships both internal and external to the division and fostered a team approach to leadership which now has Wild Rose School Division looked to as a successful example of generative governance. I am proud of what I have accomplished and know that my work has helped set a course that will help lead the division into the future.

I want to take this opportunity to thank the staff and those trustees who have provided leadership, mentoring and friendship. I feel very fortunate for those relationships and I will be eternally grateful. I want to send a special thank you to Brian Celli. I have been very privileged to work with you Brian and wish you much success and joy in your retirement. Hope will always be 'a possibility to live into.'

I will never forget my time at Wild Rose School Division. The relationships I developed with parents, students, staff and community members will always be something I keep close to my heart.

Regards

Nancy McClure
